RE: J.B.C. v. Athens Area School District, et al
No. 4:24-cv-1249

Dear Judge Saporito:

Currently pending are the Motions to Dismiss from Athens Defendants and Bloosberg Defendants, as well as Plaintiff's Responses in Opposition to said motions. Oral argument has yet to be scheduled and no rulings have been issued.

Additionally, according to the October 31, 2024 Scheduling Order, "Amendments to the pleadings shall be filed by January 31, 2025." See Doc. 51.

Given the possibility that any rulings on the Motions to Dismiss could necessitate amended pleadings, Plaintiff assumes that the aforementioned deadline in the Scheduling Order would not be enforced, and a later deadline will be set by the Court. If Plaintiff's counsel is making an incorrect assumption, kindly advise the parties in this matter.

Respectfully,

/s/ Jay Edelstein
